

Minutes of the Board of Trustees Meeting  
Village of Kensington, 2 Nassau Drive, Great Neck, NY  
May 15, 2024  
8:00pm – Village Hall

Present: Mayor Susan Lopatkin

Trustees: Jeff Greener, Brent Greenspan, Carey Ye, Andrew Bloom

The Board meeting was brought to order by Mayor Lopatkin at 8:00pm.

Mayor Lopatkin made a motion to approve the April board minutes, all in favor.

**Mayors Update:**

Mayor Lopatkin wanted to thank Joyce Cheung for picking up flowers that were planted at the front gate. My Cheung does this every year for the village.

The paving of North Dr. and the courts (curb to curb) should be done by Memorial Day.

Mayor Lopatkin spoke to the board about the speed signs that we are going to purchase, once we get approval. There is an option to permanently affix the 13-foot poles that the signs will be on or affix them enough that they would be movable. The board agreed that they should be moveable and they also agreed that all four signs should be up at once.

There have been no further issues with the car carrier as they have been stopping on East Shore Rd, instead of at the triangle at the end of Nassau Dr.

Mayor Lopatkin stated that we will not be signing the Vigilant contract as there has been no return call regarding our questions about the contract.

Our village pool will be opening Memorial Day weekend, we are looking forward to another wonderful season as there are more families that have moved into Kensington.

Mayor Lopatkin reminded the board of the new local law Multiple Dwelling and Nonresidential Occupancy Licenses. Our building Inspector Mike McNerney is working on an application that the village will be using, so that these inspections can be carried out.

Entered into executive session 8:45pm

On a motion of Mayor Lopatkin, seconded by Trustee Greenspan accept the Police and Treasurers reports.

On the motion of Mayor Lopatkin, seconded by Trustee Greener, the meeting adjourned at 9:05pm.
