Minutes of the Board of Trustees Meeting
Village of Kensington, 2 Nassau Drive, Great Neck, NY
June 17, 2026
8:00pm – Village Hall

Present: Mayor Jeff Greener
Trustees: Deputy Mayor Bloom, Ronen Abergel

The Board meeting was brought to order by Mayor Greener at 8:10pm.

Mayor Greener made a motion to approve the May minutes, seconded by Trustee Bloom, all in favor.

The board continued their discussion regarding a ramp at the pool entrance.
We received a proposal from Amramp which is a pre fab ramp. The ramps are designed to comply to ADA design criteria. The cost for a 36" option with a 24" ramp is $9,089.36 finished and installed.

Considering other designs and proposals that we received, the board felt this was a better option for the village. Since this ramp was unforeseen prior to the finalization of the 2026-27 budget, this is the most cost-effective way to try and stay within the villages budget.

Mayor Greener made a motion to approve the prefab ramp, seconded by Deputy Mayor Bloom, all in favor.

Mayor Greener read the following resolution:
